# We Launch Better Than Best

At UBIQCOM, innovation drives everything we do. As a trusted brand in the telecom industry, we specialize in delivering cutting-edge FTTx and VoIP products that empower seamless, high-speed communication.

## About Us

# Who we are and what we do

UBIQCOM is a trusted name in delivering advanced FTTx and VoIP solutions for both homes and enterprises. Renowned for its high-quality products and exceptional customer satisfaction, UBIQCOM continues to engineer industry-compliant systems using premium-grade materials—ensuring superior broadband performance.

With a clear mission to make fiber technology and VoIP communication more accessible, UBIQCOM offers end-to-end FTTx solutions that include high-speed internet, VoIP, triple-play services, Wi-Fi, voice, video, and CATV. These all-in-one systems ensure uninterrupted, high-quality connectivity for modern households and businesses alike.

Expert support to keep your systems running smoothly, anytime, anywhere.

# What Drives UBIQCOM

## MISSION

To continuously strive towards being a high-performing solution provider, keeping everyone in sync with the rapidly evolving digital world

## VISION

Striving to be India's most admired networking solutions provider — enabling seamless connectivity and digital transformation across homes, businesses, and smart cities.

## VALUE

UBIQCOM thrives on innovation, quality, and customer focus—guided by integrity, collaboration, and agility to deliver excellence in every solution.

## STRATEGY

UBIQCOM drives FTTx innovation to meet the shift from traditional ISPs to fiber, focusing on residential and enterprise needs.

UBIQCOM provides a comprehensive range of FTTx and VoIP solutions, including high-performance OLTs, ONUs, IP Phones, VoIP gateways, and essential passive components engineered to ensure fast, reliable, and scalable fiber and voice connectivity for today's homes and businesses.

# Products We Provide

## Optical Line Terminal (E/GPON OLT)

Delivering fast, reliable, and scalable fiber connectivity with E/GPON OLT solutions.

## XPON ONU/ONT (Single/Dual Band)

Upgrade to XPON ONU/ONT, reliable fiber access with single/dual band Wi-Fi options.

## Optical Transceiver

Reliable Optical Transceivers built for high-speed, long-distance fiber connectivity.

## Media Converter

Media converters that ensure smooth data transmission between fiber and Ethernet links.

## Session Border Controller & FXS/FXO Gateways

Flexible voice solutions powered by SBCs and multi-port FXS/FXO gateways.

## IP PBX & PRI Gateway

Unified communication made easy with IP PBX and efficient PRI Gateway technology.

## Fiber Patch Cords & Pigtails

Ensure optimal network performance with our durable fiber patch cords and pigtails.

## Enterprises IP Phone

Smart IP Phones built for enterprise-grade performance, clarity, and seamless connectivity.

# **Our Products Line**

## Optical Line Terminal (OLT)

### GPON OLT

#### Available Models:

##### UB5001 GL

- 1 Port GPON OLT
- Downstream: 2.5Gbps, Upstream: 1.25Gbps

##### UB5002 GL

- 2 Port GPON OLT
- Downstream: 2.5Gbps, Upstream: 1.25Gbps

##### UB5004 GL

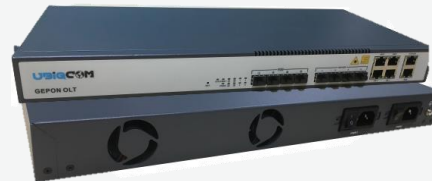

- 4 Port GPON OLT
- Downstream: 2.5Gbps, Upstream: 1.25Gbps

##### UB5008 GL

- 8 Port GPON OLT
- Downstream: 2.5Gbps, Upstream: 1.25Gbps

##### UB5016 GL

- 16 Port GPON OLT
- Downstream: 2.5Gbps, Upstream: 1.25Gbps

### EPON OLT

#### Available Models:

##### UB5004 EL

- 4 Port EPON OLT
- 4 GE and 4 SFP slots for uplink

##### UB5008 EL

- 8 Port EPON OLT
- 8 GE and 8 SFP slots for uplink

##### UB5016 EL

- 16 Port EPON OLT
- 16 EPON ports, 4 GE (RJ45), 4 GE (SFP), and 4 × 10GE (SFP+) uplink interfaces

## XPON ONU/ONT

### Single Band Router

#### Available in:

- 1GE
- 1GE + CATV
- 1GE + Wi-Fi
- 1GE + 1FE + Wi-Fi
- 1GE + 1FE + 1 POTS
- 1GE + 3FE + 1 POTS

### Dual Band Router

#### Available in:

- 2GE + Dual-Band WiFi
- 2GE + 1 Voice + Dual-Band WiFi
- 4GE + Dual-Band WiFi
- 1GE + 3FE + 1 POTS + Dual-Band WiFi
- 4GE + 2 POTS + Dual-Band WiFi
- 4GE + 1 POTS + WiFi 6

## Optical Transceiver

### Single Fiber

**SFP,  
SFP+,  
QSFP+**

**Data Rate:**

1G/10G/40G/100G-  
SFP/SFP+/QSFP+

**Fiber Mode:**

Single/Dual Fiber  
SMF/MMF

**Distance:**20-120 km

### Dual Fiber

**SFP,  
SFP+,  
QSFP+**

**Data Rate:**

1.25G / 10G / 40G /  
100G – SFP / SFP+ /  
QSFP+

**Fiber Mode:**

Single/Dual Fiber  
SMF/MMF

**Distance:**300 -120 km

## Media Converter

### Single Fiber

#### Available Models:

##### UB5135-SM-02A/B

- 10/100M
- Single Fiber, 1310/1550 nm
- 2 km

##### UB5135-SG-20A/B

- 10/100/1000M
- Single Fiber, 1310/1550 nm
- 20 km

### Dual Fiber

#### Available Models:

##### UB5113-DM-02

- 10/100M Dual Fibre, 1310 nm — 2 KM

##### UB5113-DM-25

- 10/100M Dual Fibre, 1310 nm — 25 KM

##### UB5185-DG

- 10/100/1000M Dual Fibre, 850 nm — 550 M

##### UB5113-DG-20

- 10/100/1000M Dual Fibre, 1310 nm — 20 KM

## Session Border Controller & FXS/FXO Gateways

### Session Border Controller

#### Available Models:

##### UB-SBC50

- Designed for SMEs
- Supports 5–50 SIP sessions,
- 5–50 transcoding

##### UB-SBC500

- For Medium-to-Large Enterprises
- Supports 50–500 SIP sessions, 50–200 transcoding

##### UB-SBC5000

- Large Capacity & High Performance
- Supports up to 5000 concurrent SIP sessions

### FXS/FXO Gateways

#### Available Models:

##### FXS VoIP Gateway

Ports Available in

- 1/2 Port FXS - Max 312 Ports FXS

##### FXO VoIP Gateway

Ports Available in

- 2 Port FXO - 16 Port FXO

##### Hybrid VoIP Gateway

Ports Available in

- 1 FXS, 1 FXO Ports - 128 FXS, 128 FXO Port

## IP PBX & PRI Gateway

### IP PBX

#### Available Models:

##### UBX500-2S20

- Small Size, Big Potential  
Supports up to 500 SIP  
users & 50 concurrent  
calls

##### UBX1000 / UBX5000

- High-End IP PBX  
Supports up to 5,000 SIP  
extensions

### PRI Gateway

#### Available Models:

##### UBG200

- 1/2 ports E1/T1
- Supports up to 60 simultaneous  
calls

##### UBG1000

- 1/2 ports E1/T1 in 1U chassis
- Supports up to 60 simultaneous  
calls

##### UBG2000

- 4 to 20 ports E1/T1 in 1U chassis
- Supports up to 600 simultaneous  
calls

# Fiber Patch Cords & Pigtails

Premium Build for Top Performance

## SINGLE MODE SIMPLEX

FC-SX-LL/PC | FC-SX-SL/PC  
FC-SX-SS/PC | FC-SX-SS/APC

## SINGLE MODE DUPLEX

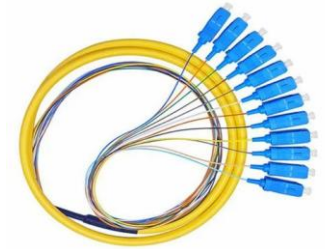

FC-DX-LL/PC | FC-DX-SL  
FC-DX-SS | FC-DX-LF/PC | FC-DX-SF/PC

## MULTIMODE OM1/2/3/4 DUPLEX

FC-OMZ-SX-LL/PC  
FC-MM-DX-LL/PC  
Multimode

## FIBER PIGTAIL

SC-PC 1 M  
Single Mode

## Optical Fiber Cable

2F, 4F, 6F, 12F

## PLC SPLITTER & RATIO COUPLER

### Without Connector

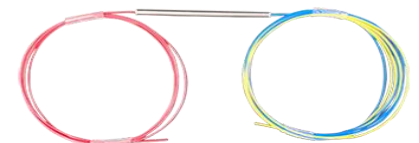

1x2 | 1x4 | 1x8 | 1x16  
PLC Splitter Without Connector

### With Connector

1x2 | 1x4 | 1x8 | 1x16  
PLC Splitter With Connector

### Triple Window Coupler

1310, 1490, 1550 in ratio of :  
50:50, 55:45, 60:40, 65:35, 70:30, 75:25,  
80:20, 85:15, 90:10, 95:05, 97:03, 98:02  
for FTTx and CATV applications.

# Enterprise IP Phones

Quick Voice Connect

## UB600

### Business Grade IP Phone

2 SIP Accounts, 2 Line Keys

Dual-port 10/100Mbps Ethernet  
132x64pixel graphic LCD with backlight

## UB600P

### Business Grade IP Phone

2 SIP Accounts, 2 Line Keys, PoE

Dual-port 10/100Mbps Ethernet  
132x64pixel graphic LCD with backlight

## UB600LP

### Entry Level IP Phone

2 SIP Accounts, 2 Line Keys, PoE

132x64pixel graphic LCD Without Backlight  
1\* 10/100/1000Mbps Ethernet

## WHY UBIQCOM?

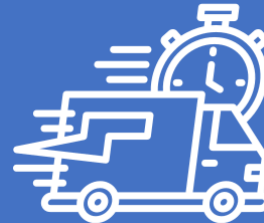

### 10 Years in Business

A decade of expertise, trusted by our avid customers for reliable fiber solutions.

### Instant Support

If you face any technical issues, feel free to reach out to us we're here to help at no extra cost.

### Fast Shipping

Receive your cargo the very next day after payment. Track your order in real-time and get it delivered within few days.

### 100% Satisfaction Guaranteed

Customer satisfaction is our top priority, and we go above and beyond to ensure it at every step.

OUR EVENTS

The background of the slide is a large, blue-tinted photograph of a diverse group of people, likely employees, celebrating. Many of them have their arms raised in the air, some making peace signs, and they are all smiling. The image is slightly out of focus, emphasizing the overall mood of joy and achievement.

# MD's Message

“ I feel truly honored to have been part of this incredible journey. We started with a strong vision, to deliver cutting-edge FTTx solutions that connect people, strengthen relationships, and help communities grow and flourish.

Over the years, we have grown into a trusted and recognized name in the industry a success story built on innovation, quality, and, most importantly, the trust of our partners, customers, and dedicated team members.

From our humble beginnings as a manufacturer of FTTH products, we have continuously evolved to meet the ever-changing needs of the market. It is with immense pride that I share how UBIQCOM has successfully expanded its portfolio to include cutting-edge VoIP products, enabling us to provide complete end-to-end communication solutions.

Thank you for your support. Let's continue building a more connected and brighter future together.
